**RESPONSE TO RESTRICTION REQUIREMENT
AND AMENDMENT**

Dear Sir:

In the Office Action issued mailed on October 19, 2004, the examiner imposed a second restriction requirement under 35 U.S.C. 121. The examiner indicated that the claims covered two distinct inventions and required selection of one set of claims for prosecution on the merits.

Applicant respectfully requests that the amendments set forth below be entered to cancel claims 38-44 and elect claims 1-37, 51 and 52 for prosecution on the merits.

This response is being filed with a petition for one month extension of time, which would make the due date December 19, 2004, so this response could be considered timely filed.
